# Team Poly & DAVEY TANK & PUMP DEAL

Purchase any Team Poly water tank from the range of rural (545 to 50,050 Litre) tanks or urban (700 to 2,500 Litre) slimline tanks and you have the opportunity to purchase a Team Poly / DAVEY PUMP voucher, redeemable at any DAVEY PUMP distributing agent. DAVEY PUMPS available and product descriptions include the XP350P8C or XJ50T (product details listed below) Alternatively, you can take the 'Upgrade Option' and put your voucher towards a different DAVEY pump available through your DAVEY dealer. Check out the full range of DAVEY pumps available at [www.davey.com.au](http://www.davey.com.au)

## XP350P8C Water Pressure Systems with pressure switch for small homes

### Product Description
